

Step up to Level 3 BTEC Health and Social Care

This is a menu of tasks to help you get ready to study Health and Social Care at Level 3. Try to choose a 'balanced diet' of activities each week to ensure variety in your learning. Keep your completed work organised in a folder so that you can submit your transition work during your first Health and Social Care lesson.

Short Video Clips (less than 10 minutes)

Each of these clips offers context for the course. Write down any key details they reveal or inferences you can make from them. List questions the clips raise that you would like to understand more about (aim for 3)?

Demands and Jobs

[Health and Social Care | Demand & Jobs | Level 3 - 7 Qualifications](#)

British Sign Language

[Basic Greetings, Manners and Phrases in BSL for Beginners -](#)

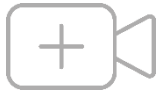

YouTube

Growth and Development Milestones

[Growth & Developmental Milestones | Pediatric Nursing Stages of Development -](#)

YouTube

Longer Video Clips, Films or Documentaries

These videos will get you thinking even more about issues in Health and Social Care. Select one video, record the key points of context or information that you found significant, alongside 5 subsequent questions that the video has spawned.

Genie Wiley – The girl kept in Isolation for 13 years

Programmes and Podcasts

There is a huge array of related radio programmes and podcasts available. If you do not have a podcast app, or cannot sign in to BBC Sounds, this would be your first thing to remedy. Below are a few stretching and informative programmes for you to enjoy. Make notes on ½ page of A4 about what you have learnt about the topic of each programme and which opinions you agree with and why.

Redefining Care

Questions to Consider

The questions below are designed to get you thinking more broadly about some of the underlying issues within the course we study in Year 12. Choose a question and try discussing it with somebody else. Then write 500 words exploring different possible responses and explaining your own opinions.

The NHS must be privatised to ensure high quality provision.

Elderly people should not be asked to leave their family homes.

The UK should enforce a one child policy.

Debate: Nature vs Nurture

Task: Read the linked page regarding our development being a product of either our biology or environment and answer the questions below.

Do we inherit our personality?

Is language acquired?

Are we a product of nature or nurture?

Books and Other Longer Reads

These books are excellent introductions to the themes we study in Health and Social Care. They are available to buy and download as e-books, some of them are free!

This Is Going to Hurt
Adam Kay

The Story of Baby P
Ray James

The Language of Kindness
Christie Watson
